

BMW F 650 / F 700 / F 800 GS & F 800 R RADIATOR GUARD

INSTALLATION INSTRUCTIONS

Dear Rider,
Thank you for choosing Altrider! Whether a seasoned world adventurer or a first time ADV-Newbie, we welcome you to the Altrider experience. You can install your new product with the utmost confidence. Altrider designs, tests, and manufactures all of its products here in the United States. We are proud to do what we do, and honored to present to you the product of our labors.

Enjoy it, show it off, and most of all, RIDE IT!

Venture On,
Jeremy LeBreton

Rev 2

2008 - 2012 F 800 GS Hardware Kit:

- ① Radiator Guard
- ② paper instructions

(A) 2013 and Newer F 800 GS Hardware Kit:

- ① Radiator Guard
- ② paper instructions
- ③ (3) M5 washer
- ④ (3) M5 x 25mm x .8 button head screws
- ⑤ (2) plastic spacer

(B) F 650 / F 700 GS & F 800 R Hardware Kit:

- ① Radiator Guard
- ② paper instructions
- ③ (2) M5 washer
- ⑥ (2) M5 x 25mm button head screws
- ⑦ (2) M5 fender clip
- ⑧ (2) plastic spacer

Recommended tools:

- ① hardware tray
- ② T25 torx tool
- ③ M3 allen driver
- ④ 8mm wrench
- ⑤ 1/4" driver

- ① Using a T25 tool and an 8mm wrench, remove the fastener in the bottom center, under the OEM radiator guard.

- ③ **If installing radiator guard on 2013 and newer F 800 GS, skip to step 5.** The OEM guard should come right out at this point. Rotate it forward then lift up on it slightly.

- ② You'll want to turn the handle bars to accommodate this next step. Remove the two upper fasteners that hold the OEM plastic radiator guard in place.

- ④ **If F 650 / 700 GS or F 800 R continue, if F 800 GS skip to step 5.** Install the (2) M5 fender clips to the radiator top of the housing, (1) on each side. The clips will have to be slowly worked into place and will not install without resistance so take your time. If you cannot get them into place you can open up the clips slightly using a flat head screw driver.

- ⑤ Using your M3 allen driver, install the radiator guard starting with the (2) upper mounts. Install (1) M5 screw and washer on each side. On the 2013 and newer F 800 GS or the radiator guard simply fits over the existing plastic and you must install the (2) provided plastic spacers on top of the OEM plastic guard but under the AltRider radiator guard. If you have an F700GS or F800R you must also use the provided plastic spacers.

- ⑥ 2013 and Newer F 800 GS: Install provided M5 screw, and washer and OEM nut to bottom mount using a M3 allen driver and 8mm wrench. All other models re-install the OEM screw and nut using a T25 driver and 8mm wrench.

CONGRATULATIONS!

You've completed your installation. If at any point you have questions about your installation or have any feed back for us, we'd love to hear it. A downloadable version of these instructions can be found at our web site. www.AltRider.com

TERMS OF USE, WARRANTY AND LIABILITY WAIVER

AltRider LLC, a Washington company, having its principal place of business in Seattle, WA ("AltRider") offers its motorcycle accessories (the "Product") with the terms, conditions and notices as follows:

Terms of Use

This Product is offered to you conditioned upon your acceptance without modification of the terms, conditions, and notices contained herein. Installation and/or use of this product implies acceptance of all such terms, conditions, and notices. If you do not agree to these terms, do not buy the Product. If you have already bought the Product and do not agree to these terms, return this Product promptly including the packaging and all written materials, to AltRider.

Limitation of Liability and Warranty Disclaimer

You may return your merchandise for a full refund or exchange, less any original or return shipping fees under these conditions:

1. Only if the merchandise is in 100% factory condition. Original manufacturer's packaging and same condition as sold – original boxes, packaging material, instructions, documentation, parts, and attached tags.
2. Only unused, unscratched, uninstalled, undamaged merchandise will be accepted. Do not install equipment until you are sure you want to keep it. Package items carefully in protective materials before returning them. Never ship an item in its original manufacturers packaging – it will arrive damaged. Please use a postal box or other adequate packaging to ensure your return or exchange is not damaged on the way back to AltRider.com.

Excepting the warranties stated in the preceding paragraph, AltRider hereby disclaims all other warranties and conditions with regard to the Product including all implied warranties and conditions of merchantability and fitness for a particular purpose. There are no warranties which extend beyond the description on the face hereof. AltRider does not warrant against damages or defects arising out of use or installation of the Product. Installation instructions are provided for your convenience. AltRider is not responsible for any damages arising out of the installation, improper or otherwise, of the Product. No warranty of any kind, expressed or implied, is made regarding the safety of this Product.

To the extent allowed by law, AltRider shall not be held liable for any direct, indirect, punitive, incidental, special or consequential damages arising out of, or connected with, the use or misuse of this Product. Buyer assumes all risks and liability arising from use of this Product.

Entire Agreement

This document states the entire obligation of AltRider with respect to the Product. If any part of this agreement is determined to be void, invalid, unenforceable or illegal, including, but not limited to the warranty disclaimers and liability limitations set forth above, then the remainder of the agreement shall remain in full force and effect.

Applicable Law

This agreement is governed by the laws of Washington, USA. You hereby consent to the exclusive jurisdiction and venue of the courts of Washington, USA, in all disputes arising out of or relating to the use of this product.
