MADE IN THE USA

Kit includes:

paper instructions

- ① Right aluminum guard
- ② Left aluminum guard
- ③ Right steel bracket
- ④ Left steel bracket
- ⑤ (6) M5 x 35mm cap head allen screws
- ⑥ (14) M5 washers
- ⑦ (4) M5 lock nuts
- ⑧ (4) M5 x 10 Torx screws
- ⑨ (2) Aluminum spacers M5 x 16mm long

Tools necessary:

- ① T25 Torx
- ② 4mm Allen key
- ③ 8mm combination wrench
- ④ Needle Nose Vise Grips
- ⑤ Thread locker

- ① **Left side guard:** Remove black plastic fairing by removing two T25 screws under front edge of seat. Keep these screws and note length for re-installation later. Gently slide fairing rearward to remove.

- ② Clip small zip tie (A) at location shown to free up hole.

- ③ Install left bracket as shown. Each hole has M5 x 35 screw, two washers (one top and one bottom), and M5 lock nut. Tighten screws. Remove front OEM T25 Torx from plastic cover. (A) You will not re-use this screw.

- ④ Place aluminum cover in location. Put a drop of thread locker on two M5 Torx screws, put a washer on each screw, and install loosely to bracket.

- ⑤ Place 16mm long spacer behind front mount location. Put drop of threadlocker on M5 x 35 screw and screw in with washer. Tighten all screws. Reinstall side plastic cover. (Screw with longer shoulder goes through double layer of body panels.)

- ⑥ **Right side guard:** Remove black plastic fairing by removing two T25 screws under front edge of seat. Keep these screws and note length for re-installation later. Gently slide fairing rearward to remove.

- ⑦ Clip small zip tie (A) at location shown to free up hole. Remove OEM M5 screw with T25 Torx at front of plastic cover, you will not reuse this screw. (arrow)

- ⑧ Install right side bracket as shown. Each hole has M5 x 35 screw, two washers (one top and one bottom), and M5 lock nut. Tighten screws. Use needle-nose vise grips to hold nut and get started on rear screw, then 8mm combination wrench to tighten.

- ⑨ Place aluminum cover in location. Put a drop of thread locker on two M5 Torx screws, put a washer on each screw, and install loosely to bracket.

- ⑩ Place 16mm long spacer behind front mount location. Put drop of threadlocker on M5 x 35 screw and screw in with washer. Tighten all screws. Reinstall side plastic cover. (Screw with longer shoulder goes through double layer of body panels.)

- ⑪ After 100 miles or 5 hours riding check all screws for tightness.

CONGRATULATIONS!

You've completed your installation. If at any point you have questions about your installation or have any feed back for us, we'd love to hear it. A downloadable version of these instructions can be found at our web site. www.AltRider.com

After 5 hours or 100 miles of riding, check your newly installed equipment to ensure all hardware is secure.

TERMS OF USE, WARRANTY AND LIABILITY WAIVER

AltRider LLC, a Washington company, having its principal place of business in Seattle, WA ("AltRider") offers its motorcycle accessories (the "Product") with the terms, conditions and notices as follows:

Terms of Use

This Product is offered to you conditioned upon your acceptance without modification of the terms, conditions, and notices contained herein. Installation and/or use of this product implies acceptance of all such terms, conditions, and notices. If you do not agree to these terms, do not buy the Product. If you have already bought the Product and do not agree to these terms, return this Product promptly including the packaging and all written materials, to AltRider.

Limitation of Liability and Warranty Disclaimer

You may return your merchandise for a full refund or exchange, less any original or return shipping fees under these conditions:

1. Only if the merchandise is in 100% factory condition. Original manufacturer's packaging and same condition as sold – original boxes, packaging material, instructions, documentation, parts, and attached tags.
2. Only unused, unscratched, uninstalled, undamaged merchandise will be accepted. Do not install equipment until you are sure you want to keep it. Package items carefully in protective materials before returning them. Never ship an item in its original manufacturers packaging – it will arrive damaged. Please use a postal box or other adequate packaging to ensure your return or exchange is not damaged on the way back to AltRider.com.

To read more about our exchanges and returns policy, on the web, navigate to <http://www.alt rider.com/info/exchangesAndReturns>

Excepting the warranties stated in the preceding paragraph, AltRider hereby disclaims all other warranties and conditions with regard to the Product including all implied warranties and conditions of merchantability and fitness for a particular purpose. There are no warranties which extend beyond the description on the face hereof. AltRider does not warrant against damages or defects arising out of use or installation of the Product. Installation instructions are provided for your convenience. AltRider is not responsible for any damages arising out of the installation, improper or otherwise, of the Product. No warranty of any kind, expressed or implied, is made regarding the safety of this Product.

To the extent allowed by law, AltRider shall not be held liable for any direct, indirect, punitive, incidental, special or consequential damages arising out of, or connected with, the use or misuse of this Product. Buyer assumes all risks and liability arising from use of this Product.

Entire Agreement

This document states the entire obligation of AltRider with respect to the Product. If any part of this agreement is determined to be void, invalid, unenforceable or illegal, including, but not limited to the warranty disclaimers and liability limitations set forth above, then the remainder of the agreement shall remain in full force and effect.

Applicable Law

This agreement is governed by the laws of Washington, USA. You hereby consent to the exclusive jurisdiction and venue of the courts of Washington, USA, in all disputes arising out of or relating to the use of this product.
